

## EMERGENCY LIGHT 30 SMD LED 2W IP20

Code: 145-28000

### TECHNICAL DATA

|                            |                     |
|----------------------------|---------------------|
| Product Number:            | VALUE               |
| Series Number:             | PLUS                |
| Supply Voltage (V):        | 85-265V             |
| operating voltage range:   | 85-265V             |
| Nominal Power (W):         | 2W                  |
| Operating Frequency (Hz):  | 50/60Hz             |
| Lamp Type:                 | 2835 LED            |
| Color Temperature (K):     | 6500K               |
| Luminous Flux (lm):        | 127lm               |
| Flicker Free:              | Naü/ Yes            |
| Energy Class:              | F                   |
| Ingress Protection (IP):   | IP20                |
| Impact Resistant (IK):     | IK06                |
| Operating Temperature °C:  | 0°C-+40°C           |
| Product Color:             | Λευκό/White         |
| Product Material:          | Πλαστικό-ABS/PC-ABS |
| Product Net Weight (kg):   | 0.142               |
| Product Gross Weight (kg): | 0.162               |
| Packing (pcs):             | 1/40                |
| Packaging:                 | Color Box           |
| Height:                    | 28mm                |
| Width:                     | 55mm                |
| Length:                    | 202mm               |
| Guarantee Eurolamp:        | 2 Χρόνια/2 Years    |

|-----------------------------------|--------------------------------------------------------------------------|
| <b>Certifications:</b>            | Nau/ Yes                                                                 |
| <b>CE Mark:</b>                   | Nau/Yes                                                                  |
| <b>Connection Type:</b>           | Κλέμμα/Terminal Block                                                    |
| <b>Battery Type:</b>              | Li-ion                                                                   |
| <b>Battery Charging Time:</b>     | 20-24h                                                                   |
| <b>Battery Autonomy:</b>          | 3-4h                                                                     |
| <b>Battery Capacity:</b>          | 1200mAh                                                                  |
| <b>Indicated Operation Light:</b> | Nau/Yes                                                                  |
| <b>Product Info:</b>              | Συνολικά Lumen: 150lm/Total Lumen: 150lm                                 |
| <b>Product Info:</b>              | Εξωτερικής Τοποθέτησης/Surface Installation                              |
| <b>Product Info:</b>              | 1 αυτοκόλλητο διπλής κατεύθυνσης/with 1 set multi direction pictogram    |
| <b>Product Info:</b>              | Με Κουμπί Δοκιμής/With Test Button                                       |
| <b>Product Info:</b>              | Δυνατότητα Συνεχούς- Μη συνεχούς λειτουργίας/ Maintained- Non Maintained |
