

## EMERGENCY LIGHT 60 SMD LED 4W IP20

Code: 145-28001

### TECHNICAL DATA

|                            |                       |
|----------------------------|-----------------------|
| Series Number:             | PLUS                  |
| Supply Voltage (V):        | 220-240V              |
| Nominal Power (W):         | 4W                    |
| Operating Frequency (Hz):  | 50/60Hz               |
| Lamp Type:                 | 2835 LED              |
| Color Temperature (K):     | 6500K                 |
| Luminous Flux (lm):        | 353lm                 |
| Flicker Free:              | Na/ Yes               |
| Energy Class:              | F                     |
| Ingress Protection (IP):   | IP20                  |
| Impact Resistant (IK):     | IK06                  |
| Operating Temperature °C:  | 0°C-+40°C             |
| Product Color:             | Λευκό/White           |
| Product Material:          | Πλαστικό-ABS/PC-ABS   |
| Product Net Weight (kg):   | 0.175                 |
| Product Gross Weight (kg): | 0.200                 |
| Packing (pcs):             | 1/40                  |
| Packaging:                 | Color Box             |
| Height:                    | 26.5mm                |
| Width:                     | 55mm                  |
| Length:                    | 250mm                 |
| Guarantee Eurolamp:        | 2 Χρόνια/2 Years      |
| Certifications:            | Na/ Yes               |
| CE Mark:                   | Na/Yes                |
| Connection Type:           | Κλέμμα/Terminal Block |

Pioneers in New Technology !

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Battery Type:              | Li-ion                                                                   |
| Battery Charging Time:     | 20-24h                                                                   |
| Battery Autonomy:          | 3-4h                                                                     |
| Battery Capacity:          | 1200mAh                                                                  |
| Indicated Operation Light: | Naυ/Yes                                                                  |
| Product Info:              | Συνολικά Lumen: 300lm/Total Lumen: 300lm                                 |
| Product Info:              | Εξωτερικής Τοποθέτησης/Surface Installation                              |
| Product Info:              | 1 αυτοκόλλητο διπλής κατεύθυνσης/with 1 set multi direction pictogram    |
| Product Info:              | Με Κουμπί Δοκιμής/With Test Button                                       |
| Product Info:              | Δυνατότητα Συνεχούς- Μη συνεχούς λειτουργίας/ Maintained- Non Maintained |
