

## LED LAMP C37 5W E14 6500K 175-250V

Code: 147-77203

### TECHNICAL DATA

|                                           |               |
|-------------------------------------------|---------------|
| Product Series:                           | PLUS          |
| Supply Voltage (V):                       | 220-240V      |
| Nominal Power (W):                        | 5W            |
| Color Temperature (K):                    | 6500K         |
| Operating Frequency (Hz):                 | 50/60Hz       |
| Amperage (A):                             | 27mA          |
| Luminous Flux (lm):                       | 400lm         |
| Wattage Equivalent (W):                   | 45W           |
| Ingress Protection (IP):                  | IP20          |
| Power Factor (PF):                        | >0,55         |
| Color Rendering Index CRI (Ra):           | >80           |
| Life Time (h):                            | 25000h        |
| Operating Temperature °C:                 | -30°C - +45°C |
| 2019/2015 Energy Class (Since Sep. 2021): | G             |
| Lampholder:                               | E14           |
| Led Type:                                 | SMD2835       |
| Bulb Shape:                               | C37           |
| Switching Cycles (ON/OFF):                | 25000         |
| Dimmable:                                 | 0x/ No        |
| Starting Time (sec):                      | 0,5 sec       |
| Mercury (Hg):                             | 0,00%         |
| Beam Angle:                               | 200°          |
| Diameter (mm):                            | 37mm          |
| Height (mm):                              | 100mm         |
| Product Gross Weight (Kg):                | 0,024         |

# EUROLAMP®

Pioneers in New Technology !

|                    |                                                                   |
|--------------------|-------------------------------------------------------------------|
| Product Material:  | Πλαστικό με Ψύκτρα Αλουμινίου/<br>Plastic with Aluminium Heatsink |
| Cover Color:       | Frost                                                             |
| Pieces per pack:   | 1                                                                 |
| Packaging:         | Paper Window B.Pack                                               |
| Packing (pcs):     | 1\10\50                                                           |
| Years of Warranty: | 2 Χρόνια/ 2 Years                                                 |
| Certificates:      | Na/ Yes                                                           |
| CE Mark:           | Na/ Yes                                                           |
