

Coloana 2 fete, racord flexibil, 2m, ELN

DAF2802000ELN

Configuratie

Executie	bilateral
----------	-----------

Compatibilitate

Format posibilitate de montare a echipamentului	Ecoline blocare frontala
---	--------------------------

Materiale

Culoare	Aluminiu
Material	Aluminiu
Material	aluminiu
Suprafata	anodizat/eloxat

Dimensiuni

Adâncime	130 mm
Înaltime de montaj	2000 mm
Forma stâlpii	rectangular
Latime	98 mm

Montare

Tip de fixare	Stand (baza)
---------------	--------------

Cablu

Diametru de libera trecere/interior	10800 mm ²
-------------------------------------	-----------------------

Echipament

Numarul peretilor despartitori ficsi	2
--------------------------------------	---

Standarde

Conform directivelor europene RoHs	conformitate voluntara
------------------------------------	------------------------

Protectie

Fara halogen	da
