

## PROJECTOR LED SMD RGBW 50W 100-265V IP66 BLACK PLUS

Code: 147-69391

### TECHNICAL DATA

|                                 |                                                 |
|---------------------------------|-------------------------------------------------|
| Series Number:                  | PLUS                                            |
| Supply Voltage (V):             | 220-240V                                        |
| Nominal Power (W):              | 50W                                             |
| Amperage (A):                   | 560mA                                           |
| Operating Frequency (Hz):       | 50/60Hz                                         |
| Led Type:                       | SMD2835                                         |
| Color Temperature (K):          | RGB + WHITE                                     |
| Watt/ Chip:                     | 1W/Chip                                         |
| Total Chips:                    | 72pcs                                           |
| Chip Size:                      | SMD2835                                         |
| Chip Brand:                     | Sanan                                           |
| Driver Brand:                   | Linear Driver                                   |
| Included Driver:                | Ενσωματωμένο στην πλακέτα/<br>Embedded in plate |
| Power Factor (PF):              | >0.90                                           |
| Color Rendering Index CRI (Ra): | >80                                             |
| Flicker Free:                   | No/Yes                                          |
| Life Time (h):                  | 30000h                                          |
| Starting Time (sec):            | 0.5 sec                                         |
| Switching Cycles (ON/OFF):      | 15000                                           |
| Dimmable:                       | Όχι/No                                          |
| Ingress Protection (IP):        | IP65                                            |
| Impact Resistant (IK):          | IK06                                            |
| Operating Temperature °C:       | -40°C - +50°C                                   |
| Beam Angle:                     | 120°                                            |
| Product Color:                  | Μαύρο/Black                                     |

|----------------------------|-------------------------------------|
| Product Material:          | Αλουμίνιο-Γυαλί/ Aluminium-Glass    |
| Product Net Weight (kg):   | 0.450                               |
| Product Gross Weight (kg): | 0.500                               |
| Packing (pcs):             | 1/20                                |
| Packaging:                 | Color Box                           |
| Height:                    | 165.1mm                             |
| Width:                     | 31.8mm                              |
| Length:                    | 187.9mm                             |
| Guarantee Eurolamp:        | 3 Χρόνια/3 Years                    |
| Certifications:            | Ναι/Yes                             |
| CE Mark:                   | Ναι/Yes                             |
| Installation Height:       | 4-6mtr                              |
| Insulation Rating:         | Class I                             |
| Connection Type:           | Καλώδιο/Wire                        |
| Grounding:                 | Ναι/Yes                             |
| Cable Length:              | 150mm                               |
| Cable Cross Section:       | 3x0.75mm <sup>2</sup>               |
| Product Info:              | with controller (include baterries) |
